VEGAN WHITE

Eat Healthy
Live well

“

Gusto Vegan white product is a delicious, 100% dairy free alternative to the traditional white cheese. It has briny salty flavor and cheesy texture which makes it perfect for salad topping, filling in pies and other dishes. It is a 100% cholesterol free product and can be used all day long from people from all ages. Vegan white can also be an excellent choice for those facing problems with lactose intolerance or a true milk protein allergy. Vegan white can be crumbled, cubed, or sliced for salads, used over watermelon or other fruits, or any savory dish you like.

“ **And so the Vegan White begins...**

We love cheese in all its forms. We also love our planet and wanted to create delicious cheese made entirely from plants. Turns out we did just that, and you're holding it!!

If you feel it's time for you to put cholesterol out of your life, start eating Well and Live Healthy, then your expectations meet our product. Whether you're vegan, dairy free, avoiding animal rennet, looking to limit your consumption of animal products, or just plain curious our Vegan White product is just for you!!!
